

Interview Skills & Career Positioning

Walk Into Every Interview Prepared to Win

Prepare • Present
Get the Offer

Audience

Qualified candidates lose offers every day because they are not prepared to sell themselves under pressure. This programme builds the preparation, answers and presence you need to perform confidently in any interview and position yourself for the role you want.

Ideal for:

- Job Seekers & Fresh Graduates
- Professionals Preparing for Promotion or Internal Interviews
- Career Changers Explaining a Transition
- Candidates for Panel, Virtual & Technical Interviews
- Professionals Targeting International & Remote Roles
- Anyone who struggles to sell themselves in interviews

Course Description

Interview Skills & Career Positioning is a program that combines preparation frameworks with live mock interviews. Participants learn to research employers, structure answers with the STAR method, handle competency, behavioral and panel interviews, present well on virtual platforms and negotiate offers.

Course Outline

- Module 1: The Interview Process & What Employers Assess
- Module 2: Career Positioning: Personal Brand & Elevator Pitch
- Module 3: Researching Employers & Preparing for the Role
- Module 5: Answering with Impact: STAR Method & Competency Questions
- Module 6: Body Language, Confidence & Professional Presence
- Module 7: Salary Negotiation & Following Up
